Saturday, August 18

8 to 9:30 am at Heritage

Cost: \$6

Guest Speaker: Steven Spidell,

Executive Director of Presbyterian Outreach to Patients (POP)

Join us for breakfast and a brief overview of how POP is helping individuals and families in the medical center cope with their illnesses through the care, support and comfort of POP lay ministers, including Heritage members John Sweeney and John Kelly.

*Please bring old newspapers to donate to Citizens for Animal Protection.*

**HELPERS NEEDED:** to set up, prepare the meal, tear down and clean up. Please contact Jim Williams at 281.376.4340 or Gary Wurl at 832.237.6894 for more details on how you can help.

## Good Samaritan Training...Are You Ready?

by Dave Coles

The biblical Good Samaritan was able to serve because he knew what to do. Would you know what to do in similar circumstances? The Harris County Citizens Corps' Community Emergency Response Team (CERT) will be presenting its free 8-week training to prepare you to serve your family, neighbors, and the Copperfield area in the event of a natural or man-made disaster (e.g., hurricane, tornado, plant explosion). You'll learn about basic fire-fighting, light search and rescue, first aid, chemical/nuclear/biological events, disaster psychology, and much more. The training is presented by experts from the FBI, Cy-Fair Volunteer Fire Department, Harris County Office of Emergency Management and other.

There is no cost for the training and you are not required to do anything after graduation. A backpack of basic disaster response supplies is provided free of charge to all CERT graduates. The training is brought to you by Harris County Judge Emmett as part of Harris County's disaster preparedness activities. The training will be held on Wednesday evenings (6 pm to 9 pm) at Cy-Fair College from September 5 to October 24. For more information on CERT, contact Heritage member Dave Coles at [DaveColes@comcast.net](mailto:DaveColes@comcast.net) or by calling him at (281) 221-1357. To register for the classes, send an email to Teri Shamlian at [TShamlian@sbcglobal.net](mailto:TShamlian@sbcglobal.net).
